## God's Generators Supporting the Gateway 'Gen A' Project

Children/ Young people are an important & valuable part of God's kingdom, yet the national picture shows that 95% of Children and Youth in the U.K. are not in Church. From September 2020, Joseph Bower will lead this pioneering Youth and Schools ministry (Gateway Generation Alpha) which will reach out with the Good News of Jesus & go out beyond our church buildings.

This is an opportunity for the Christian Family in Barnsley and beyond to serve their community in a real and practical way.

We need your prayerful and financial support.

Please consider joining our Generators Group, we are seeking 100 people to support this new and pioneering ministry at £10 per month - **there is now an unparalleled opportunity to reach the Generation Alpha with the gospel - this message is just as powerful as it ever was.** Please turn over this card – fill out the details and return it to: -
